Hochparterre Wettbewerbe
Hochparterre Wettbewerbe

Hochparterre Wettbewerbe believes it has an important say in the Swiss debate about architecture competitions. The journal does not only aim to record and inform but to provide investigative and critical journalism as well. Hochparterre Wettbewerbe is the only comprehensive specialist journal about architecture competitions in Switzerland. Architecture offices and architects have been using it as a documentation and reference work for years. Hochparterre Wettbewerbe is read by everyone who wants to know what and where future projects are going to be built, so that they can offer their services and products.

Since May 2017, the specialist journal has also its own website. In the online archive hochparterre-wettbewerbe.ch all competitions can be searched and downloaded.
